

First Announcement and Call for Presentations

Seventh Finnish Conference of Environmental Sciences
12-13 May 2005, Jyväskylä, Finland

Finnish Society for Environmental Sciences

INVITATION

The Finnish Society for Environmental Sciences invites You to attend the Seventh Finnish Conference of Environmental Sciences organized in Jyväskylä in 12-13 May, 2005. The conference is organised by the society, together with Department of Biological and Environmental Science, University of Jyväskylä. Moreover, one session has been invited to be organised by Finnish Society of Environmental Social Science. **The conference will have several main themes:**

- 1. Clean manufacturing and energy production technologies**
- 2. Climate change**
- 3. Ecotoxicology and risk assessment**
- 4. Environmental issues - Business operations**
- 5. Environmental issues – Social implications**
- 6. Environmental measurements**
- 7. Environment and agriculture**
- 8. Land use and sustainable planning**
- 9. Renewable energy**
- 10. Sustainable environmental technology**

However, presentations from any field of environmental research are welcome.

CALL FOR ORAL AND POSTER PRESENTATION

Program will include invited keynote presentations and contributed oral or poster presentations. All participants are encouraged to make presentation of their research. The official language of the meeting is English. Oral presentation should take 20-30 minutes including discussion. Full day poster sessions will conclude with a specific poster social session. The participants should fill the “*Pre-registration form*” and return it to the organizers **before 15 January, 2005**.

CONFERENCE PROCEEDINGS

Those interested in contribution to the conference proceedings, should submit an abstract of their presentation (max. 4 pages including figures and tables) to the organizers by **15 March, 2005**. The detailed “*Instructions for authors*” will be sent in the Second Announcement by the end of January and can also be found at our forthcoming web site: <http://www.jyu.fi/bio/ymp/yts/indexb.html> .

CONFERENCE SITE

The conference will be arranged in **Hotel Rantasipi Laajavuori, Jyväskylä**. The location map of the conference site can be found in <http://www.rantasipi.fi/> and further information about the city of Jyväskylä in <http://www.jyvaskyla.fi> .
